MONTHEAL, ONT., April 26.—L. S. Huntington, President of the Privy Council, has sued Lieut. Minyer for libel, in con-

nection with some remarks of his in re-lation to the British Mining Company.

WASHINGTON, April 26 .- The President has appointed A. Farrington, of New York, Consul of the United States at Valencia, and Andrew E. Rankin, of Vermont, Consul of the United States at

BERLIN, April 26 .- The tone of the

Berlin, April 26.—The tone of the Sequ-Official German press is conciliatory and peaceful, and gives evidence that all apprehensions that may have been excited by the recent war rumors have passed away.

East Saginaw, Mich., April 26.—The lumbermen are looking blue over the log prospects, in consequence of low water. Nearly all the drives are suspended on the Tiltabtwassi. Not over thirty million feet of new logs have been received to boom limits, and the water is lower than ever before.

St. Paul., Minn., April 26.—Navigation through Lake Pepin is opened earlier than was anticipated. The steamboat James Wears has passed through the lake, arriving at Prescott at 2:30 o'cloca Saturday. The Mississippi river navigation is therefore now open from St. Anthony Falls to the Guif of Mexico.

MILWAUKEE, April 26 .- Samuel Weiss, a saloon-aceper, was arrested yesterday, charged with setting fire to his saloon. The alarm was given a baif hour after The alarm was given a balf hour after mid-night. The department arrived. The stock had disappeared and coal oil appeared to have been used to assist the flames. The fire was put out with unex-pected promptuess and these facts discovered.

DUBUQUE, IA., April 26 .- Levi Stiend, the detaulting merchant at Independence, Buchanan county, Iowa, who fled ence, Buchanan county, Iowa, who fled to Kansas with intent to defraud his creditors and was there arrested brought to Dubuque, and lodged in jail, has at last compromised at the rate of forty cents on the dollar, and pays all costs. The amount of his indebtedness is about \$25,000, held principally by Dubuque and Unicago parties.

OTTAWA, ONT., April 26,-Gen. O'Grady Haiey is expected in a tew days from Halifax. Lord Dufferen will be absent in England until September, and a procla-mation is published granting amnesty to ad persons implicated in the Northwest. or bonoise excepting Reil, Lepine and O'Donoise. Reil and Lepine are a so pardoned on condition of five years absence from the country.

DAVENPORT, IOWA, April 26.—As the time draws nigh for the assembling of the regular Profestant Episcopal Diocesan Convention, considerable interest is manifested as to who shall be Bishop. The general opinion is that some Westagain to the Eist, Dr. W. H. Barris, one of the professors of the Griswald College and Chairman of the Standing Committee, is mentioned as among the leading candidates.

TERRE HAUTE, IND., April 26.—The striking miners in the Clay county coal district are again becoming turbulent. A band of them, to the number of 250, or more, are reaming about the country intimidating non-union men who are at work, and have been successful in stopping all miners but two. Shooting affrays are frequent, and notices warning all miners now employed to cease working are common, and are posted all coming too noisy we're taken in when a over the district.

BRIDGEPORT, CONN., April 26 .- William Boyce, aged thirty, was caught last evening in the act of setting fire to the building of the Nangatuck Ice Company, on Middle street in this city. When ar-restep he caimed that he was trying to put out the fire, but on seaching him material for kindling the fire were found in his pocket. He is supposed to be the incendary who had caused several fires here during the last few months and for whom live hundred dol-lars reward is offered. caused SIOUX CITY, April 26 .- The river con-

shoux cirry, April 20.—Inc river continued to rise here until yesterday P. M., and is now more than twelve feet above low-water mark and at a stand. The town of Gaysville, on the Dakota Southern railroad, is overflowed, causing considerable damage to property. Most of the cotton between there and Vermilion a considerable distance this side, are submerged. Crops in that vicinity to wrat extent can not be definitely determined. It will be impossible for the Dakota Southern to get trains through before Tuesday or Wednesday. The railroad bridge over the Biz Soux which was carried away by the gentless of the south of t was carried away by the secont flood in that river, will be repfaced Tue-day. The road-bed in the vicinity of Vermilian is reported to-day not so badly awased as at first supposed.—Thirt, French tandles arrived here last night from Hartford, Ct. They intend to set-tle in Southern Dakota. There have been 200 homestend entries received at the U.S. Land Office, during the past year.—There are now 200 tons of Govern-ment trained here waiting transfer. ment freight here waiting transportation Chicago Items.

CHICAGO, ILL., April 16.—The trial of Wilbur F. Storey, of the Times, on six indigtments for fivel, begins this morn-ing.

ing. It is rumored that all work on the Custom-house will be suspended until a thorough investigation and charges can Fifteen cases of infanticide have been

reported in this city within a month.

Titton-Brecher.

BROOKLYN, April 26.—The seventy-fifth the youthe Beccher trial opened to a fair andience. All the principals were present except Mrs. Filton. S. S. Partridge's cross-examination was resumed. He tes-tified to payment of Bowen's seven-thousand dollar check to Tilton in 1871.

to be allowed to place the conversation in evidence.

At this point a loud thud was heard in the vicinity of Beecher's circle and only a few feet from Beecher's chair, causing great excitement in Court.

The Judge rapped with his gavel to restore order. It was found that William Seabury, one of the ferrymasters of Green Point ferry, had fallen down.

Mrs. Palmer was the next witness. She testified: She is landscape artist; been twice married and once divorced; acquainted with Mrs. Woodfull and was constant attendant at her house.

In the summer and autumn of 1871-2 met Tilton there at one time. He proposed to Mrs. Woodbull to merge the

proposed to Mrs. Woodbull to merge the Goiden Age and Woodbull & Claffin's Weekly into one paper and make it an organ of Spiritualists.

Witness saw Mrs. Woodbull and Til-

witness saw Mrs. Woodhull and Til-tion kiss on several occasions, and exchange names of "Theodore" and "Victoria." She also testified to Mr. Tilton's late visits to Woodhull's bed-room, and his suspicious actions generally; she remembered a conversation between Tilton and Mrs. Woodhell when the latter denied that his wife and ever been criminally inti-mate w a Beecher.
